RUTGERS
THE STATE UNIVERSITY OF NEW JERSEY
Request for Late Withdrawal from a Summer Session or Winter Session Course for Undergraduate Students in Mason Gross School of the Arts, School of Environmental and Biological Sciences, Ernest Mario School of Pharmacy, and the School of Engineering

Withdrawal is not ordinarily permitted during or beyond the last seven calendar days of a summer/winter session course. Exceptions may be granted when there are verifiable mitigating circumstances.

This form must be circulated for signatures in the prescribed sequence to preserve the provenance of the approvals or denials. The faculty member and dean(s) may confirm a grade already assigned, assign a grade, approve a W grade, or delete the course from the student’s record.

1. The student completes the Student Information section of this form and submits to his/her dean with any supporting documentation.
2. The dean forwards the form to the instructor for his/her review and recommendation. The instructor signs the form and returns it to the student’s dean. If the instructor has assigned a final grade or wishes to, he/she has the prerogative of denying the request for late withdrawal.
3. If the course is not an SAS course the student’s dean forwards the form to the faculty dean for approval of the instructor’s recommendation. The faculty dean will then forward the form to the student’s dean.
4. If the course is an SAS course step 3 is skipped.
5. The student’s dean will review the instructor’s recommendation and recommendation of the faculty dean (for non SAS courses), make a determination, sign the form, and forward to the Registrar for implementation. All signatories will be in agreement before the form is sent to the registrar.
6. The dean will notify the student of the decision.
7. If withdrawal is not permitted and a final grade is confirmed you may, if you wish, follow the steps in the grading appeal procedures of your school.
